Write a Book that Doesn’t Suck: A “how-to” write fiction book with tons of pop culture references in TV, Films, & Books.

Jaimie Engle was once sucked into a storybook, where she decided she would become an author. She writes fantasy thrillers for teens and tweens, but her passion is talking to kids about writing and social issues because words have power. She lives in Florida with her awesome husband, hilarious children, and the world’s best dog.
