When you think of overcoming adversity and making dreams come true, think of Jaimie Engle. After her publisher disappeared a month before release date, Jaimie Engle was forced to launch her first novel on her own. She has faced an upward battle in publishing with incredible victories along the way to include prestigious awards, brick and mortar book signings, and sharing the stage with some of the industry's biggest names in children's books. In 2021, Jaimie switched gears to writing for film and television. She wrote 8 feature films, 3 tv shows, 3 books, and a limited comic book series in one year, won numerous industry awards, and has her work in consideration with dozens of producers, major networks, and in production. Jaimie inspires through personal experience.

Book Jaimie Engle, award-winning writer and national speaker to discuss...

- Her inspiring story from book to screen to encourage others to never give up
- All aspects of writing techniques for books, film and television
- How she landed back in the film industry after leaving film school in 2000
- Overcoming adversity through agents, publishers, and indie publishing

Jaimie Engle Guest Expert Interview Credentials

- **Active speaker on writing books and films/teleplays.**
